1	Brilliant surgeon. Excellent teacher. Very knowledgeable. Caring to patients.
2	Miss Hazari is an excellent Consultant to work for. She is thorough, professional, comes back quickly to any problems, self-sufficient and very respectful. She works very hard and the patients have a lot of respect and faith in her. I have known Miss Hazari since she was a trainee and even then she stood out from the rest in being pro-active, chasing operating and helping out the hospital when we are short on the ground. She is very passionate about the hospital and her job as a plastic surgeon. I cannot speak highly enough of her.
4	Anita communicates to staff and colleagues, very direct it affects others' emotion. Trainees get stressed to work with her some time. If she modifies the way she treats/speaks to others will be helpful.
5	Miss Hazari is an excellent surgeon and colleague, She treats all members of staff as equals and has time for questions. Miss Hazari has a unique understanding of her breast reconstruction patients. She treats the patients as a whole person and is passionate about the care of her patients.
6	Anita is a great colleague and mentor. She always takes time to teach and has a very patient-centered approach.
7	It is a pleasure to work alongside Miss Anita Hazari, she is a great team player and very supportive to her patients and colleagues.
9	Miss Hazari is a great asset to QVH due to her extensive knowledge, compassion & work ethic. When equipment is not up to standard she doesn't hesitate to contact myself to get the problem resolved.
11	Very hard-working and committed to her patients, the staff and the hospital. Excellent clinical decision making. Fully supportive to team. A pleasure to work with.
15	Anita is a hard-working and dedicated member of QVH. She has also demonstrated a high level of commitment to the success of QVH over these last few years in her role as a Staff Governor.
